All Nations Initiative is a non-profit corporation organized in the state of Arizona exclusively for exempt purposes.

Current and Ongoing Program: Christian Church Training Programs in America
We have, in the past, and will continue, in the future to visit Christian churches in America to teach about global Christian missions. We explain the current state of the Gospel in different parts of the world, sharing opportunities for those churches to help further the cause of Christ in those places by sending people as missionaries, or by entering into a strategic partnership with All Nations Initiative to help fund Christian training activities and missionary projects in the developing world. These church programs have, at times, included mission-centric sermons, classroom lectures, video presentations, small group discussions, and/or distributing printed missions material developed by All Nations Initiative.

These church visits have mainly included Michael and Jeanette Propp, and as more opportunities are presented, will include Jack Fleming and Martyn Mayfield, as well. Anyone All Nations Initiative sends to lead these visits to Christian churches in America will be trained in how to share the training and opportunities with the churches they visit.

These projects at American churches are not only fundraising visits. They aim to help the church in America better see opportunities for the advancement of the Christian message around the world.

These church-training programs have happened at Pathway Christian Church in Riverside, California, First Christian Churches in Myrtle Point, Oregon, Albuquerque, New Mexico, and Clovis, New Mexico, Dayton Church of God in Dayton, Tennessee, Brookdale Community Church in Boise, Idaho, International Christian Faith Church in Redlands, California, WiNeMa Christian Camp's Week of Missions in Cloverdale, Oregon, and the student body of Boise Bible College in Boise, Idaho. A ten-day long session is planned for Myrtle Point First Christian Church in Myrtle Point, Oregon in February of 2026. We have also been requested to hold smaller programs at First Christian Church in Albuquerque, New Mexico, and New Day Christian Church in Fort Myers, Florida. Both will happen in 2026, Schedules are not yet finalized.

Including time spent cultivating relationships, seeking opportunities to offer these programs, and preparation (excluding travel), this program takes approximately twenty percent of our time. The actual execution of these programs takes approximately five percent of our time, not considering travel.

The funding for these activities comes from donations to the All Nations Initiative general fund. If printed material is distributed, we try to have the hosting church print the materials for us. Occasionally, the hosting church will assist with travel and lodging. As a matter of practice, we have asked that, should a church offer an honorarium, that the amount instead be donated to All Nations Initiative. Four percent of our operational budget goes to conducting these events, including printed materials, visual aids, and travel.

These Church training events further our exempt purposes by training American believers to have a better understanding of the Christian ideas of bringing the Christian Gospel to all the nations of the world, and their role in furthering the spread of the Christian message. As these ideals are realized, these Christian churches better understand their role in assisting developing world ministries reach more people with the Gospel message of Christianity.

Current and Ongoing Program: Partnership with Endeavor Institute of International Leadership, Inc.
We have, in the past, and will continue into the future, engaged in a partnership with Endeavor Institute of International Leadership, Inc., a Christian-based training ministry in the Philippines. In this partnership, All Nations Initiative holds special training workshops developed to deepen the trainees' understanding of Christianity and Christian ministry. One of the main goals of this training is to develop Filipino Christians to be prepared to bring the Christian message to people in their own communities, as well as non-Christian communities, what missionaries would refer to as unreached people groups. Ultimately, we aim, through our partnership with Endeavor Institute of International Leadership, Inc., to adequately train and equip Filipino Christians to serve as missionaries to unreached people groups in the Philippines, and as missionaries to other nations. Workshops and seminars include Bible studies about the Christian mission, as well as the practical duties and activities involved in bringing the Gospel to new people. For its own programming, Endeavor Institute offers non-formal Christian theology and ministry training.

Schedule H. Organizations Providing Scholarships, Fellowships, Educational Loans, or Other Educational Grants to Individuals and Private Foundations Requesting Advance Approval of Individual Grant Procedures

Section I **Public charities and private foundations complete lines 1 through 8 of this section.**

1 Describe the types of educational grants you provide to individuals, such as scholarships, fellowships, loans, etc., including the purpose, number and amount(s) of grants, how the program is publicized, and if you award educational loans, the terms of the loans.

We provide gifts of school supplies, school shoes, and school uniforms to indigent elementary and high-school students in the Philippines. We have focused this service to only serve students in the province of Bohol. After choosing a location where we believe we can engage in campus or community ministries, we seek out indigent families and work to ensure their children have the essentials to be able to attend classes. This ultimately serves our purpose of bringing the Christian Gospel to unreached communities. Because, by design, we seek out the indigent families we do not publicize these grants. We also, as resources allow, have provided optometry check-ups and have purchased eyeglasses for indigent children who struggle in their schooling simply because of their sight, but whose parents are unable to provide eyeglasses.

2 Do you maintain case histories showing recipients of your scholarships, fellowships, educational loans, or other educational grants, including names, addresses, purposes of awards, amount of each grant, manner of selection, and relationship (if any) to officers, trustees, or donors of funds to you? If "No," explain. ○ Yes ◉ No

We do not maintain a list of all of the students to whom we have provided school supplies or school uniforms. Because this program is focused only on indigent students residing in the province of Bohol in the Philippines, there is no family relation to any beneficiary and any board member.

3 Describe the specific criteria you use to determine who is eligible for your program (for example, eligibility selection criteria could consist of graduating high school students from a particular high school who will attend college, writers of scholarly works about American history, etc.).

The criteria for choosing those who are eligible to benefit from this program include: 1) The child must be an elementary or high school student, 2) The student must reside in the province of Bohol, 3) The student's family, through their poverty, must genuinely not be able to provide essentials for the child to attend public school, 4) The student must live in a community where All Nations Initiative hopes to expand their Christian outreach.

4 Describe the specific criteria you use to select recipients (for example, specific selection criteria could consist of prior academic performance, financial need, etc.).

The criteria for selecting beneficiaries of the program are: 1) They must meet the requirements outlined in Question 3 above, 2) Based on the number of school-supply packs, uniforms, and school shoes available, the neediest families are approached with an offer of help.

Schedule H. Organizations Providing Scholarships, Fellowships, Educational Loans, or Other Educational Grants to Individuals and Private Foundations Requesting Advance Approval of Individual Grant Procedures *(continued)*

5 Describe any requirement or condition you impose on recipients to obtain, maintain, or qualify for renewal of a grant (for example, specific requirements or conditions could consist of attendance at a four-year college, maintaining a certain grade point average, teaching in public school after graduation from college, etc.).

Assessments of needs and available resources are made before the start of each school year. A student's benefitting of the program one year does not necessarily influence the decision whether or not to help them the following year. Rather, we assess needs and resources before the start of every school year.

6 Describe your procedures for supervising the scholarships, fellowships, educational loans, or other educational grants. Explain whether you obtain reports and grade transcripts from recipients, or you pay grants directly to a school under an arrangement whereby the school will apply the grant funds only for enrolled students who are in good standing. Also, describe your procedures for taking action if the terms of the award are violated.

Because we aim this program towards communities where we hope to invest time engaging the community with the Christian Gospel message, we will maintain a presence in the community, allowing us opportunities to interact with the family and the student who received the school supplies. We informally monitor the student's progress, but the award was not based on academic performance, but, rather the award was based upon need. The program DOES NOT include a test requiring the student or their family to join our Christian programming in the community.

7 How do you determine who is on the selection committee for the awards made under your program?

While we maintain ultimate discretion over who will be granted these school supplies, school uniforms, school shoes, and eyeglasses, we seek input from our team members who will be the ones actively engaging that particular community with the Christian Gospel message for that school year. We do not seat a selection committee.

8 Are relatives of members of the selection committee, or of your officers, directors, or substantial contributors eligible for awards made under your program? If "Yes," what measures do you take to ensure unbiased selections? ○ Yes ◉ No

Do not complete the rest of Schedule H. If you are a private foundation, you will be directed to complete Section II of Schedule H later in the application.

If "Yes," describe how you will determine who can be shown to be eligible for grants without submitting an application, such as by obtaining written statements or other information about the expectations of employees' children to attend an educational institution; do not complete the rest of Schedule H.

○ Yes ○ No

7c Will you award grants based on facts and circumstances that demonstrate that the grants will not be considered compensation for past, present, or future services or otherwise provide a significant benefit to the particular employer? If "Yes," describe the facts and circumstances you believe will demonstrate that the grants are neither compensatory nor a significant benefit to the particular employer. In your explanation, describe why you cannot satisfy either the 25% test or the 10% test in questions 7a and 7b.

a Not-For-Profit Corporation

ARTICLE I
Company Formation

1.01. **FORMATION.** This Corporation is formed pursuant to the laws of the state of incorporation, as stated in the Articles of Incorporation for the Corporation.

1.02. **CORPORATE CHARTER COMPLIANCE.** The Board of Directors (the "Board") acknowledges and agrees that they caused the Articles of Incorporation to be filed with the respective state office and all filing fees have been paid and satisfied.

1.03. **REGISTERED OFFICE & REGISTERED AGENT.** The registered office of the corporation shall be located within the state of incorporation and may be, but need not be, identical with the principal office. The address of the registered office may be changed from time to time. The Board is obligated to maintain and update the corporate records on file with the Corporation's registered agent.

1.04. **OTHER OFFICES.** The Corporation may have other offices, either within or outside of its state of incorporation, as selected by the Board.

1.05. **CORPORATE SEAL.** The Board may adopt a corporate seal with the form and inscription of their choosing, however, the adoption and use of a corporate seal is not required.

1.06. **PURPOSE.** Consistent with the Articles of Incorporation, and until such time that the Articles of Incorporation have been amended, this Corporation is formed to engage in any lawful public tax-exempt not-for-profit business purpose.

1.07. **ADOPTION OF BYLAWS.** These corporate Bylaws have been adopted by the Board on behalf of the Corporation.

ARTICLE 2
Board of Directors

2.01. **INITIAL MEETING OF THE BOARD.** The Board has conducted and completed the initial meeting necessary to begin the business operations of the Corporation, including the adoption of these Bylaws. At the initial meeting of the Board, the initial directors were appointed to their respective staggered terms, and at least one director was appointed to an abbreviated term set to expire upon occurrence of the first annual meeting of the Board whereby that director can either be re-elected or replaced by the Board pursuant to these Bylaws.

2.02. **POWERS AND NUMBERS.** The management of all the Corporation's affairs, property, and interests shall be managed by or under the direction of the Board. Directors need not be members of the Corporation or residents of the state of incorporation to qualify and serve the Corporation as a director.

Until these Bylaws are amended, the Board consists of three (3) directors who are elected for the term of three (3) years, and will hold office until their successors are duly elected and qualified at the following annual meeting of the Board. One of the initial directors shall serve an initial term of one (1) year, the second initial director shall serve an initial term of two (2) years, and the third initial director shall serve an initial term of the full three (3) years. Successor directors will be elected each year to replace or re-elect the incumbent director.

2.03. **DIRECTOR LIABILITY.** Each director is required, individually and collectively, to act in good faith, with reasonable and prudent care, and in the best interest of the Corporation. If a director acts in good faith and in a manner that is reasonably in line with the best interests of the Corporation as determined by a reasonably prudent person situated in similar circumstances, then they shall be immune from liability arising from official acts on behalf of the Corporation.

Directors who fail to comply with this section of these Bylaws shall be personally liable to the Corporation for any improper acts and as otherwise described in these Bylaws.

2.04. **CLASSES OF DIRECTORS.** Until such time as these Bylaws are accordingly amended, the Corporation does not have classes of directors.

2.05. **CHANGE OF NUMBER.** The Board may increase or decrease the number of directors at any time by amendment of these Bylaws, pursuant to the process outlined in Article 8 of these Bylaws. A decrease in number does not have the effect of shortening the term of any incumbent director. If the established number of directors is decreased, the directors shall hold their positions until the next meeting of the Board occurs and new directors are elected and qualified.

The Corporation must have *at least three (3) directors*.

2.06. **ELECTION OF DIRECTORS.** Directors are to be voted on and elected at each annual meeting of the Board, unless a special meeting is expressly called to remove a director or fill a vacancy. If a director is elected, but is not yet qualified to hold office, then the previous director shall holdover until such time that the newly elected director is so qualified.

2.07. **REMOVAL OF DIRECTORS.** At any meeting of the Board called expressly for that purpose, any director, including the entire Board, may be removed by an affirmative majority vote by the current Board. If the Board votes to remove the entire Board, then the President, Treasurer, and Secretary will serve as the interim Board until directors are duly elected to the Board pursuant to these Bylaws. If the Corporation has members, then the members must promptly have a special meeting to elect directors to the Board. As soon as practical, the members or the interim Board must meet to elect directors via the process described in Section 2.02 of these Bylaws.

2.08. **VACANCIES.** All vacancies in the Board may be filled by the affirmative vote of a majority of the remaining directors, *provided* that any such director who fills a vacancy is qualified to be a director and shall only hold the office for the term specified in Section 2.02 of these Bylaws and until a new director is duly elected by the Board or members. Any vacancy to be filled due to an increase in the number of directors may be filled by the Board for a term lasting until the next annual election of directors by the Board at the annual meeting or a special meeting called for the purpose of electing directors. Any director elected to fill a vacancy which results from the removal of a director shall serve the remainder of the term of the removed director and until a successor is elected by the Board and qualified.

Any individual who fills a vacancy on the Board shall not be considered unqualified or disqualified solely by virtue of being an interim director.

2.09. **REGULAR MEETINGS.** The meetings of the Board or any committee may be held at the Corporation's principal office or at any other place designated by the Board or its committee, including by means of remote communication.

2.10. **SPECIAL MEETINGS.** Special meetings of the Board may be held at any place and at any time and may be called by the President, Vice President, Secretary, or Treasurer, or any director. Any special meeting of the Board must be preceded by at least forty-eight (48) hours' notice of the date, time, place, and purpose of the meeting, unless these Bylaws require otherwise.

2.11. **ACTION BY DIRECTORS WITHOUT A MEETING.** Any action which may be taken at a meeting of the Board (or its committee) may be taken without a meeting, *provided* all directors (or committee members) unanimously agree, and such unanimous consent is included in the minutes of the proceeding, filed with the corporate books/records, and sets forth the action taken by the Board.

2.12. **NOTICE OF MEETINGS.** Regular meetings of the Board must be held with reasonable notice of the date, time, place, or purpose of the meeting. Notice may be given personally, by email, by facsimile, by mail, or in any other lawful manner, so long as the method for notice comports with Article 6 of these Bylaws. Oral notification is sufficient only if accompanied by a written record of the notice in the corporate books/records. Notice is effective at the earliest of:

a. Receipt;

b. Delivery to the proper address or telephone number of the director(s) as shown in the Corporation's records; or

c. Five (5) days after its deposit in the United States mail, as evidenced by the postmark, if correctly addressed and mailed with first-class postage prepaid.

2.13. **QUORUM.** A simple majority of the current directors present prior to the start of a meeting constitutes a quorum, and a quorum is necessary at all meetings creating an action to transact business on behalf of the Corporation.

2.14. **MANNER OF ACTING.** Subject to the laws of the state of incorporation, as may be amended from time to time, the act of the majority of the directors present at a meeting at which a quorum is present when the vote is taken shall be the act of the Board unless the Articles of Incorporation require a greater percentage.

2.15. **WAIVER OF NOTICE.** A director waives the notice requirement if that director attends or participates in the meeting, *unless* a director attends the meeting for the express purpose of promptly objecting to the transaction of any business because the meeting was not lawfully called or convened. A director may waive notice by a signed writing, delivered to the Corporation for inclusion in the minutes, before or after the meeting.

2.16. **REGISTERING DISSENT.** A director who is present at a meeting at which an action on a corporate matter is taken is presumed to have assented to such action, unless the director expressly dissents to the action. A valid dissent must be entered in the meeting's minutes, filed with the meeting's acting Secretary before its adjournment, or forwarded by registered mail to the Corporation's Secretary within twenty-four (24) hours after the meeting's adjournment. These options for dissent do not apply to a director who voted in favor of the action or failed to express such dissent at the meeting.

2.17. **EXECUTIVE AND OTHER COMMITTEES.** The Board may create committees to delegate certain powers to act on behalf of the Board, *provided* the Board passes a resolution indicating such creation or delegation. The Board may delegate to a committee the power to appoint directors to fill vacancies on the Board. All committees must record regular minutes of their meetings and keep the minute book at the corporation's office. The creation or appointment of a committee does not relieve the Board or individual directors from their standard of care described in Section 2.03 of these Bylaws.

2.18. **REMUNERATION.** The Board may adopt a resolution which results in directors being paid a reasonable compensation for their services rendered as directors of the Corporation, *provided* the compensation is less than the operating costs of the Corporation. Directors may also be paid a fixed sum and expenses, if any, for attendance at each regular or special meeting of such Board. Nothing contained in these Bylaws precludes a director from receiving compensation for serving the Corporation in any other capacity, including any services rendered as an officer, employee, or third party service provider. If the Board accordingly passes a resolution related to committees of the Board, then committee members may be allowed like compensation for attending committee meetings. At any time, a resolution of the Board that grants compensation to a director may be challenged by another director, provided the challenging director requests a special Board meeting specifically addressing the resolution related to director compensation.

Any director who votes for a resolution related to director compensation may be held liable under Section 2.03 of these Bylaws if the resolved director compensation is unreasonably excessive, violates any section of Article 2 of these Bylaws, or unreasonably jeopardizes the nonprofit or tax-exempt status of the Corporation.

2.19. **LOANS.** No loans may be made by the Corporation to any director.

2.20. **INDEMNIFICATION.** Provided the director complies with the standard of care described in Section 2.03 of these Bylaws, the Corporation shall indemnify any director made a party to a proceeding, brought or threatened, as a consequence of the director acting in their official capacity. In the event a director is entitled to indemnification by the Corporation, the director shall be indemnified or compensated for reasonable expenses incurred as a consequence of being connected to the Corporation and serving in good faith on its behalf.

2.21. **ACTION OF DIRECTORS BY COMMUNICATIONS EQUIPMENT.** Any action which may be taken at a meeting of the Board, or a committee, may be taken by means of a telephone or video conference or similar communications equipment which allows all persons participating in the meeting to hear each other at the same time. A director participating in a meeting by remote means is deemed to be present in person at the meeting.

ARTICLE 6

Part IV "Your Activities"

Question 1 "Describe completely and in detail your past, present, and planned activities. Do not refer to or repeat the purposes in your organizing document."

All Nations Initiative is a non-profit corporation organized in the state of Arizona exclusively for exempt purposes.

Current and Ongoing Program: Christian Church Training Programs in America

We have, in the past, and will continue, in the future to visit Christian churches in America to teach about global Christian missions. We explain the current state of the Gospel in different parts of the world, sharing opportunities for those churches to help further the cause of Christ in those places by sending people as missionaries, or by entering into a strategic partnership with All Nations Initiative to help fund Christian training activities and missionary projects in the developing world. These church programs have, at times, included mission-centric sermons, classroom lectures, video presentations, small group discussions, and/or distributing printed missions material developed by All Nations Initiative.

These church visits have mainly included Michael and Jeanette Propp, and as more opportunities are presented, will include Jack Fleming and Martyn Mayfield, as well. Anyone All Nations Initiative sends to lead these visits to Christian churches in America will be trained in how to share the training and opportunities with the churches they visit.

These projects at American churches are not only fundraising visits. They aim to help the church in America better see opportunities for the advancement of the Christian message around the world.

These church-training programs have happened at Pathway Christian Church in Riverside, California, First Christian Churches in Myrtle Point, Oregon, Albuquerque, New Mexico, and Clovis, New Mexico, Dayton Church of God in Dayton, Tennessee, Brookdale Community Church in Boise, Idaho, International Christian Faith Church in Redlands, California, WiNeMa Christian Camp's Week of Missions in Cloverdale, Oregon, and the student body of Boise Bible College in Boise, Idaho. A ten-day long session is planned for Myrtle Point First Christian Church in Myrtle Point, Oregon in February of 2026. We have also been requested to hold smaller programs at First Christian Church in Albuquerque, New Mexico, and New Day Christian Church in Fort Myers, Florida. Both will happen in 2026, Schedules are not yet finalized.

Including time spent cultivating relationships, seeking opportunities to offer these programs, and preparation (excluding travel), this program takes approximately twenty percent of our time. The actual execution of these programs takes approximately five percent of our time, not considering travel.

The funding for these activities comes from donations to the All Nations Initiative general fund. If printed material is distributed, we try to have the hosting church print the materials for us. Occasionally, the hosting church will assist with travel and lodging. As a matter of practice, we have asked that, should a church offer an honorarium, that the amount instead be donated to All Nations Initiative. Four percent of our operational budget goes to conducting these events, including printed materials, visual aids, and travel.

These Church training events further our exempt purposes by training American believers to have a better understanding of the Christian ideas of bringing the Christian Gospel to all the nations of the world, and their role in furthering the spread of the Christian message. As these ideals are realized, these Christian churches better understand their role in assisting developing world ministries reach more people with the Gospel message of Christianity.

Current and Ongoing Program: Partnership with Endeavor Institute of International Leadership, Inc.

We have, in the past, and will continue into the future, engaged in a partnership with Endeavor Institute of International Leadership, Inc., a Christian-based training ministry in the Philippines. In this partnership, All Nations Initiative holds special training workshops developed to deepen the trainees' understanding of Christianity and Christian ministry. One of the main goals of this training is to develop Filipino Christians to be prepared to bring the Christian message to people in their own communities, as well as non-Christian communities, what missionaries would refer to as unreached people groups. Ultimately, we aim, through our partnership with Endeavor Institute of International Leadership, Inc., to adequately train and equip Filipino Christians to serve as missionaries to unreached people groups in the Philippines, and as missionaries to other nations. Workshops and seminars include Bible studies about the Christian mission, as well as the practical duties and activities involved in bringing the Gospel to new people. For its own programming, Endeavor Institute offers non-formal Christian theology and ministry training.

All Nations Initiative's representatives Michael and Jeanette Propp currently spend about eighty percent of their time in the Philippines. Part of that time is spent overseeing and executing All Nations Initiative's partnership with Endeavor Institute of International Leadership, Inc. Michael and Jeanette Propp have been involved in developing curriculum, training other trainers, and recruiting Filipino-national church members to join the training programs. Their trainees are all Filipino. Endeavor Institute of International Leadership, Inc. currently employs Jenilyn Manatad to assist with training and logistical aspects of training. Endeavor Institute of International Leadership, Inc.'s

Board of Trustees includes Jeanette Propp, Michael Propp, Stephen Auxtero, Nabhor Gaco, and Criseldo Montesclaros. All have passed OFAC checks.

All Nations Initiative's training sessions offered in partnership with Endeavor Institute of International Leadership, Inc., are mainly held on Endeavor's property in Trinidad, Bohol, Philippines. Less than one-third of these trainings are held off-site in local Christian Church facilities or public gathering places.

Thirty percent of All Nations Initiative's time is spent in preparing or administering the programs offered in the Philippines in partnership with Endeavor Institute of International Leadership, Inc.

The Christian training programs offered in partnership with Endeavor Institute of International Leadership, Inc. are funded through donations made to All Nations Initiative by churches and individuals in America. Twenty-two percent of our operational budget goes towards the programs we offer in the Philippines in partnership with Endeavor Institute of International Leadership, Inc.

The programs we offer in partnership with Endeavor Institute of International Leadership, Inc. further our tax-exempt purposes of training Christians around the world to better share the Christian Gospel with other people groups and other nations. These programs train new religious workers to better share the message of Christianity. Our stated purposes include helping other Christian ministries become more effective in sharing Christianity with others through means of strategic partnerships, of which this is one.

Current and Ongoing Program: Partnership with Kingdom Adventures: Village of Hope, Inc.

We have, in the past, and will continue into the future, engaged in a partnership with Kingdom Adventures: Village of Hope, Inc., a Christian-based social welfare and community development ministry in the Philippines. In this partnership, All Nations Initiative uses social-welfare and development projects as a form of Christian discipleship and witness. While our partnership with Endeavor Institute of International Leadership, Inc. enables us to train Christians in matters of faith and ministry, the partnership with Kingdom Adventures: Village of Hope, Inc. creates opportunities to develop the Christian disciplines of charity and service through practical-ministry training and experiences through social welfare and development projects in the surrounding communities, such as hospital visitations, helping needy families rebuild homes after natural disasters, feeding programs in impoverished communities. At different times different needs are present in the communities around us. We design programs to use these needs to show Christian love to people in need, and to teach Christians who volunteer for these projects how to use acts of service to create opportunities to share the Christian Gospel message with others. While evangelism isn't the only goal in these projects, creating opportunities to share the Christian message with new people is a key factor in choosing which projects to pursue. Past projects have included home-building after natural disasters, prison

visitations, hospital visitations, nutrition programs, livelihood training (such as farming or hog raising) for community members, student tutoring, and others. Kingdom Adventures: Village of Hope, Inc. is accredited by the Philippines' Department of Social Welfare and Development, so this partnership allows us access into segments of the community, particularly in times of natural disaster, that we otherwise might not have. As a part of this partnership, All Nations Initiative makes donations to Kingdom Adventures: Village of Hope, Inc. to be used towards their resident-orphan care program.

All Nations Initiative's representatives Michael and Jeanette Propp currently spend about eighty percent of their time in the Philippines. Part of that time is spent overseeing and executing All Nations Initiative's partnership with Kingdom Adventures: Village of Hope, Inc. In this role they seek opportunities to arrange programs that provide acts of charitable service that can be used to show Christian charity and extend the reach of the Christian Gospel message. These programs always involve the church members trained through our partnership with Endeavor Institute of International Leadership, Inc. (described above in this section) as a practical extension of those training programs. Kingdom Adventures: Village of Hope, Inc.'s leadership includes their hired operations director, Jamaica Auxtero, and Board of Trustees members Michael Propp, Jeanette Propp, Martin Llanos, Anastacia Manatad, John Mark Llanos, and Jedah Montesclaros. Record keeping and government interaction is handled by staff social worker Christina Catabian. All have passed OFAC checks.

Fifty percent of All Nations Initiative's time is spent in preparing or administering the Christian service training programs offered in the Philippines in partnership with Kingdom Adventures: Village of Hope, Inc.

The Christian ministry training programs offered in partnership with Kingdom Adventures: Village of Hope, Inc. are funded through donations made to All Nations Initiative by churches and individuals in America. Seventy percent of our operational budget goes towards the programs we offer in the Philippines in partnership with Kingdom Adventures: Village of Hope, Inc.

The programs we offer in partnership with Kingdom Adventures: Village of Hope,, Inc. further our tax-exempt purposes of training Christians around the world to better share the Christian Gospel with other people groups and other nations. These programs train new religious workers in practical aspects of Christian service and how to better use acts of Christian service to share the Gospel message of Christianity. Our stated purposes include helping other Christian ministries become more effective in sharing Christianity with others through means of strategic partnerships, of which this is one.

Future Projects: Partnerships that Allow All Nations Initiative to Effectively Conduct Christian Training Programs in Other Locations

In the future, we aim to build other strategic partnerships similar to those we have in the Philippines, with established Christian ministries in other nations, to better train and equip Christians there to bring the Christian Gospel to unreached people in their nation, and hopefully to raise up Christian church members to serve as missionaries to other nations, as well.

As this is a future project, we do not yet have people conducting these activities.

As this is a future project, we do not yet have a specified place where this activity will be conducted. We assume we will begin in other developing-world countries, similar to the Philippines.

As this is a future project, currently no time is committed towards conducting these activities.

As a future project, this activity is currently unfunded. In the future we hope to raise more funding from Christian churches and church members in America, as well as within the Philippines, where we currently conduct religious training.

Future expansion into projects like this will, similarly to the projects currently being conducted in the Philippines, will further our tax-exempt purposes by bringing Christian ministry training to more Christian adherents, training and equipping them to bring the Christian Gospel to more people in more places.

Time Totals as Percentages:

American Church Mission Training - Twenty Percent

Part IV "Your Activities"

Question 9 "Do you or will you make grants, loans, or other distributions to organizations?"

Yes, All Nations Initiative will make grants and gifts to other organizations.

Particularly, funds have been and will be gifted to Kingdom Adventures: Village of Hope, Inc., an orphanage and social welfare development ministry in the Philippines, and Endeavor Institute of International Leadership, Inc., a ministry training organization in the Philippines. As described in Part 4 Question 1, All Nations Initiative has developed strategic partnerships with these organizations and works in-country through those organizations to further our tax-exempt purposes of religious training. These will be donations to those organizations, made available in accordance with the expense of our programming through those organizations, assuming All Nations Initiative has funds available to give.

Types and Purposes of Awarded Funds:

The purpose of these donated funds is to cover the expenses associated with executing All Nations Initiative's projects that are conducted through those organizations. This might include material costs, promotional costs, facilities use, equipment needed, or other costs related to the program in question. As part of our partnership, a portion of the funds given to Kingdom Adventures: Village of Hope, Inc. are made available for use in their residential orphan-care ministry; All Nations Initiative provides funding to the Christian orphanage with whom we partner.

Criteria for Choosing Beneficiary Organizations:

Currently All Nations Initiative provides funds to two organizations, Endeavor Institute of International Leadership, Inc. and Kingdom Adventures: Village of Hope, Inc., both in the Philippines. These two organizations were selected because of their common purposes and goals, and because of the historical relationship we have developed with them. These two organizations have a pre-existing relationship with All Nations Initiative director Michael Propp (we explain below that he and his wife were among the group of incorporating board members for these organizations). While he has relationships with other organizations in the Philippines, these two were chosen because they provide unique avenues for All Nations Initiative to pursue its Christian training and development programs in the Philippines, namely a recognized training program and a government social welfare and development accreditation.

In the future, as projects develop in other countries, we will seek out partner organizations who provide unique opportunities to further expand the reach of our Christian training programs in those places. These organizations will all be subject to due-diligence research, such as reviewing

their corporate charters, checking their local government compliance record (in terms of accounting, permits, etc.) and checking all of their principals against OFAC. These strategic partnerships will come from recommendations by All Nations Initiative workers who have already recognized a field they would like to serve and are now seeking strategic partnerships with domestic organizations to make projects in those countries possible.

Criteria for Approving Funding for a Partner Organization:

For a proposed partnership to be funded, the board of directors should be provided: 1) Written program plans and budgets; 2) An explanation of what the program will look like and whom it will serve; 3) A proposed timeline of when the program will start and when it will end or if it is predicted to last in perpetuity; 4) Information about whom All Nations Initiative will be able to task with executing and overseeing programs related to the proposed partnership project; 5) Proof that OFAC and other due-diligence research has been completed before bringing the proposal to the board of directors; 6) Financial statements from the organization showing their history and ability to show accountability for funds used in the past.

These formal requests for entering into new partnerships in new places will require approval by All Nations Initiative's board of directors. All Nations Initiative's board will base their decision on: 1) Does this proposed partnership fit and further our purpose of training and equipping Christians to bring the Gospel to new people in new places?; 2) Does the proposed activities of the new partnership effectively pursue the goals of our stated purpose?; 3) Does this organization have a proven track-record of financial and moral accountability?; 4) Is All Nations Initiative able to provide funding and manpower to both execute and oversee the proposed partnership and project?

Ensuring Funds are Used for the Intended, Exempt Purposes:

Part of any approved partnership agreement will include a commitment to regular reports detailing both project outcomes in terms of pursuing the to project goals, (which will always include training Christians to better share the Gospel with new people in new places), monthly categorized financial statements, and quarterly itemized financial ledgers, and photos and videos (when socially permissible) demonstrating pursuit of the program’s goals and accomplishment of the program’s goals.

To help ensure that funds are used for their designated purposes, All Nations Initiative’s board has adopted two policies. The first requires that any third-party organization that receives funding from All Nations Initiative agrees to receipt-spot checking, where the organization will be asked to show receipts matching randomly selected lines from the beneficiary’s ledger:

> "Any third-party organization that receives funding from All Nations Initiative agrees to provide financial reports detailing how donated funds were expended. The Treasurer of All Nations Initiative can, at his or her discretion, request receipts from the beneficiary organization for the purpose of verifying random line items in financial reports match actual receipts."

Should any beneficiary organization fail the receipt-spot checking test, the Board of Directors for All Nations Initiative has established a policy requiring the beneficiary organization to allow for a full, external audit:

> "Any organization that receives funds from All Nations Initiative must agree, upon All Nation Initiative's request, to submit to an external audit by an appropriate financial professional. The cost of the audit will be shouldered by All Nations Initiative. All Nations Initiative reserves the right to withhold funding from any beneficiary organization that fails or refuses to comply with such an audit until All Nations Initiative's Board of Directors is satisfied that any discrepancies in reporting have been rectified."

It is our intention to only enter into strategic partnerships that involve significant in-site involvement from an All Nations Initiative representative. This allows more direct oversight, not only to ensure that funds are being used appropriately, but that program goals and objectives are pursued in the most effective manner available. For example, All Nations Initiative director Michael Propp spends 80% of his time in the Philippines in relation to All Nations Initiative's strategic partnerships there. The more an All Nations Initiative representative is able to be directly involved in a future proposed project, the more likely it will be for All Nations Initiative to pursue and fund that project.

Record Keeping:

Records from these projects (both documents related to the initial proposal and reports and updates on the project's progress) will be available to All Nation Board of Directors in a shared, cloud-based folder. To illustrate, one of the collections in that folder is dedicated to our partnership with Kingdom Adventures: Village of Hope, Inc. in the Philippines. It contains copies of the organization's bylaws and incorporating documents from the Philippines Securities and Exchange Commission, as well as various government permits licenses, copies of financial records, and copies of annual external audits performed by an independent accounting firm in the Philippines.

Relationships with Recipient Organizations:

Both organizations, Kingdom Adventures: Village of Hope, Inc. and Endeavor Institute of International Leadership, Inc. include All Nations Initiative board members Michael Propp and Jeanette Propp among their incorporators in the Philippines. Both organizations are registered with the Philippines Securities and Exchange Commission as legal non-stock, non-profit organizations (a Philippines legal designation similar to “Tax Exempt” in America). Jeanette Propp currently serves as a board member of both corporations. Michael Propp serves as a board member of Kingdom Adventures: Village of Hope, Inc. The remaining board seats of the organizations are filled by Filipino nationals. Kingdom Adventures: Village of Hope, Inc.’s board has six members. Endeavor Institute of International Leadership, Inc.’s board also has six members.

Part IV "Your Activities"

Question 9a "Do you or will you make grants, loans, or other distributions to organizations that are not recognized by the IRS as tax exempt under section 501(c)(3)?"

Our purpose includes pursuing "the advancement of the Gospel throughout the world by training and equipping believers to bring the Gospel to other people groups and nations." This will, at times, require us to provide ministry funds to other, non-American, non-501c3 Christian organizations. These include:

-Endeavor Institute of International Leadership, Inc., a ministry and discipleship training school in the Philippines. We partner with the school to train Filipino Christians to serve as ministers, trainers, and evangelists with the goal of engaging other people groups and nations with the Gospel.

-Kingdom Adventures: Village of Hope, Inc. is a Christian based social and welfare development organization in the Philippines. The organization agrees with our Christian philosophies, and the organization's social-welfare and development license in the Philippines has repeatedly allowed us access to serve in new communities. Providing aid to hurting people has repeatedly opened new doors for the Gospel.

Funds given to these organizations are used to further All Nations Initiative's tax-exempt purpose of training Christian believers to bring the Christian Gospel to new people in new places even though the beneficiary organizations are not themselves 501c3 tax exempt organizations.

Part IV “Your Activities”

Question 9c “Do your contributors know that you have ultimate authority to use contributions made to you at your discretion for purposes consistent with your exempt purposes? If ‘Yes,’ describe how you relay this information to contributors.”

It is stated on the Policies and Disclosures page of All Nations Initiative’s website at https://www.go-ani.org/pol-disc.html that,

> "All contributions to All Nations Initiative become the property of All Nations Initiative and are subject to the exclusive control and discretion of its Board of Directors. While All Nations Initiative endeavors to honor donor designations, all gifts are accepted with the understanding that All Nations Initiative has ultimate authority to direct the use of all contributions in a manner consistent with its charitable purposes. Although the donor may place restrictions on the use of the gift, the donor may not retain control over the money or property transferred to All Nations Initiative."

Starting in July 2025 all bulk-digital correspondence will include a link pointing specifically to the Policies and Disclosures page of the All Nations Initiative website.

Part IV "Your Activities"

Question 9d "Do you or will you make pre-grant inquiries about the recipient organization?"

Our intention is not to receive unsolicited funding requests. Rather, our plan is for All Nations Initiative to seek out organizations with whom we hope to partner in pursuing our goals in other countries. By nature, this requires that All Nations Initiative already have desired outcomes in mind for the new partnership. Before any project requests are considered All Nations Initiative will already need to have a good understanding of the third-party organization.

Before requesting a proposal, All Nations Initiative should already have received and reviewed:

-Any government documentation showing the organization legally exists, has the right to operate programs in keeping with All Nations Initiative's purposes, and that the organization is in compliance with relevant laws and regulations

-Financial statements for the organization

-OFAC reports on all principals and leadership of the organization

-A recommendation from the All Nations Initiative representative who believes that a partnership with this organization will better allow All Nations Initiative to operate in that location, which should include reviews of previous projects carried out by the organization.

The two organizations All Nations Initiative currently supports in the Philippines, Kingdom Adventures: Village of Hope, Inc and Endeavor Institute of International Leadership, Inc. were already well known to All Nations Initiative's Board of Directors before any funds were transferred. All Nations Initiative's board members have had unfettered access to the recipient organization's Philippines charter documents, externally-audited financial statements, Philippines tax-returns, program progress statements, and bank statements. The organizations and its principals were well known to All Nations Initiative. In the future, similar information will be required of any organization. Any such grant or distribution would also have to pass a "Does this further All Nations Initiative's mission and purpose?" test by All Nations Initiative's board of directors.

Part IV "Your Activities"

Question 9e "Do you or will you use any additional procedures to ensure that your distributions to foreign organizations are used in furtherance of your exempt purposes?"

All beneficiary organizations shall provide both categorized and itemized financial statements to show that funds are being used as intended. As described in Part 4, Question 9, the All Nations Initiative board has approved policies requiring beneficiary organizations to be subject to external audits should the organization fail spot-checks comparing itemized reporting to physical receipts. Outside of the financial aspects of accountability, beneficiary organizations are expected to provide photos and profiles of families or individuals positively impacted by the funded programming. Because we will only fund projects that align with All Nations Initiative's purposes, we will typically require the beneficiary organization to be open to in-person, on-site visits from an All Nations Initiative representative to see the impact of the work funded. In fields where worker or visitor safety is a genuine concern this requirement may be waived. Written reports and updates should include descriptions of the Christian training programs executed, and the results of those trainings, including stories and, when appropriate, photos of the new Gospel outreach being carried out by those trained.

Part IV "Your Activities"

Question 9f "Do you share board members or other key personnel with the recipient organization(s)?"

Michael Propp, one of All Nation Initiative's board members, serves as a Trustee of Kingdom Adventures: Village of Hope, Inc., the orphanage All Nations Initiative supports in the Philippines. He also serves on the Board of Trustees for Endeavor Institute of International Ministries, Inc., the ministry training school in the Philippines.

Jeanette Propp, one of the founding directors of All Nations Initiative, is a Trustee of Endeavor Institute of International Leadership, Inc., the ministry training school in the Philippines, and a trustee and Chairman of the Board of Trustees of Kingdom Adventures: Village of Hope, Inc., the orphanage and social welfare and development organization All Nations Initiative supports in the Philippines.

Part IV "Your Activities"

Question 9g "When you make grants, loans, or other distributions to foreign organizations, will you check the OFAC List of Specially Designated Nationals and Blocked Persons for names of individuals and entities with whom you are dealing to determine if they are included on the list?"

Prior to the first funding of an individual or organization, due-diligence vetting shall include

1) A manual search of the OFAC SDN list for the beneficiary entity and each and every individual officer or affiliated person,

2) A thorough review of the entity's paperwork, including online verifications,

3) A general thorough online search of the organization for any red flags in websites (including who registered the website), any articles available mentioning the beneficiary, etc.

4) While the organization continues to receive funding, frequent checks of the OFAC list shall be conducted. This may be through an exception report that compares the current OFAC list online to All Nations Initiative's current recipients, to notify of actual / potential matches on a daily or reasonably frequent basis, or it may be done manually prior to any funds-transfer to the beneficiary organization.

5) The Board of Directors for All Nations Initiative may determine if an annual or biennial recertification be required for recipients to ensure they maintain their licenses and certifications.

6) The Board of Directors for All Nations Initiative has unanimously approved a policy requiring beneficiary organizations to agree to both spot-checking financial ledgers to actual receipts and/or an external audit of financial records for the beneficiary organization. Any suspicions can trigger a spot audit or inquiry.

7) All Nations Initiative shall maintain records of communication, funding, and program accountability related to beneficiaries.

Part IV "Your Activities"

Question 10 "Do you or will you operate in a foreign country or countries?"

Country in which we operate:

Within the Republic of the Philippines

-Bohol (current)

-Batangas (past)

-Negros (past)

-Cagayan/Apayao (past)

Describe your operations there:

-Bohol (present): This is where we have focused our training programs through our partnership with Endeavor Institute of International Leadership, Inc. We conduct workshops and seminars for Christian church members, training them to more effectively share the Christian message and to prepare them to bring the message of Christianity to new places as missionaries.

-Bohol (present): This is where Kingdom Adventures: Village of Hope, Inc. has its main facilities. Working in partnership with Kingdom Adventures: Village of Hope, Inc. we have been able to utilize their social welfare and development license to engage our trainees in Christian service projects throughout multiple communities, creating more opportunities for them to reflect Christian charity to the community, creating opportunities to share the Christian Gospel with new people in new places.

-Batangas (past): After a landslide devastated a coastal village we arranged a team to provide assistance to the community, including food, excavation, cleaning, and replacing necessary household items. These service projects were coupled with times of sharing the Christian Gospel with members of the community.

-Negros (past): We held a multi-day training event for Christian church leaders, explaining to them our philosophies and strategies for advancing the Christian Gospel into new places.

-Cagayan/Apayao (past): After a series of typhoons repeatedly hit the same region, we fielded a small team to assess opportunities for social welfare and development projects in light of the storm damage. While there, with the help of interpreters, we offered emergency food, and tarps to be used as temporary shelter. Many of us, through an interpreter, shared our Christian message. Because of long travel distances and a local tribal dialect unknown to our people, we decided to recommend another, third party ministry organization familiar with the language be the ones to serve the communities affected by those storms.

Part IV "Your Activities"

Question 10a "When you conduct activities in foreign countries, will you check the OFAC List of Specially Designated Nationals and Blocked Persons for names of individuals and entities with whom you are dealing to determine if they are included on the list?"

Following the OFAC procedures outlined in Part 4 Question 9g above will help ensure that no funds distributed by All Nations Initiative are used for terrorism.

Additionally, the two policies outlined in Part 4 Question 9 relating to spot-checking receipts and external audits aid to ensure that funds are being used as intended:

> To help ensure that funds are used for their designated purposes, All Nations Initiative's board has adopted two policies. The first requires that any third-party organization that receives funding from All Nations Initiative agrees to receipt-spot checking, where the organization will be asked to show receipts matching randomly selected lines from the beneficiary's ledger:
>
> "Any third-party organization that receives funding from All Nations Initiative agrees to provide financial reports detailing how donated funds were expended. The Treasurer of All Nations Initiative can, at his or her discretion, request receipts from the beneficiary organization for the purpose of verifying random line items in financial reports match actual receipts."
>
> Should any beneficiary organization fail the receipt-spot checking test, the Board of Directors for All Nations Initiative has established a policy requiring the beneficiary organization to allow for a full, external audit:
>
> "Any organization that receives funds from All Nations Initiative must agree, upon All Nation Initiative's request, to submit to an external audit by an appropriate financial professional. The cost of the audit will be shouldered by All Nations Initiative. All Nations Initiative reserves the right to withhold funding from any beneficiary organization that fails or refuses to comply with such an audit until All Nations Initiative's Board of Directors is satisfied that any discrepancies in reporting have been rectified."

Our intention of only entering into strategic partnerships with foreign organizations if and only if an All Nations Initiative representative is able to invest significant time on-site aids in ensuring funds are used for exempt purposes by providing in-person oversight. While on-site, that person should talk to members of the partner organization, as well as those the partner organization has served, to assess how effective the programs have been in their stated goals.

Part IV "Your Activities"

Question 17 "Do you or will you engage in fundraising activities for other organizations?"

All Nations Initiative will engage in fundraising activities for other organizations, particularly Kingdom Adventures: Village of Hope, Inc. and Endeavor Institute of International Leadership, Inc., two organizations in the Philippines with whom we have developed strategic partnerships outlined in Part 4, Question 1 above. These partnerships allow All Nations Initiative to pursue its Christian training purposes in the Philippines.

Endeavor Institute of International Leadership, Inc. is a Christian training organization in the Philippines. They offer informal and non-traditional religious training. We have an arrangement with Endeavor Institute of International Leadership, Inc. that, through them, we are able to offer workshops and seminars and short classes in the Philippines as part of our purpose of advancing the Gospel throughout the world by training and equipping Christian believers to bring the Gospel to unreached people. All Nations Initiative, then, raises funds for Endeavor Institute of International Leadership, Inc. to prepare materials and to cover other costs associated with facilitating our training programs through their organization.

Kingdom Adventures: Village of Hope, Inc. is a Christian social welfare and development organization in the Philippines. They operate an orphanage, and have government licensing and accreditation to engage in large-scale community service programs. We have an arrangement with Kingdom Adventures: Village of Hope, Inc. that, through them, we are able to arrange practical service.
